

ASEPTIC TECHNIQUE

FINAL EVALUATION

Aseptic Technique

Overview

Working Under a
Laminar Airflow Hood

QUALIFIED

First name: Kiran
Last name: Girish
Date: 10/20/15 Time: 01:07 PM

PRINT

Kiran, I'm impressed with your knowledge of aseptic technique and your skill in transferring the cell cultures under the hood. It's my pleasure to qualify you as a microbiology lab technician and assign you to a research project.
